

# You'd Better Take Life Seriously

By David J. Stewart | March 2012

"Verily I say unto you, Whosoever shall not receive the kingdom of God as a little child, he shall not enter therein." —Mark 10:15

If you think about many of the worldly clichés which we pick up over time in our minds, there's not much truth to many of them. One such saying is, "Don't take life too serious, because you're not going to get out alive anyway." I hate that statement, because it makes light of eternity and the things of God.

Death is a doorway into a whole new existence, whether eternal happiness

with the Lord in Heaven, or eternal suffering and misery in the torments of the Lake of Fire. Those are the only two destinations where you can go. There is no purgatory, no white light, no reincarnation, no subconscious floating state for the dead, et cetera. There is no return from the dead. Once you die, it's Heaven or Hell for eternity.

Life is a very serious matter and I don't understand people who approach it light-heartedly. It's the monstrous abortion crowd who don't take life seriously, literally. They kill the unborn like it's no big deal. I care about the lives which God has created in the womb, because God cares. Everyone should care about a child in the womb. Everyone should care about their neighbor. Everyone should care about OTHERS.

The average person selfishly doesn't care if something evil is hurting others, just so long as it doesn't affect them. That is why the world is such a big mess today. And sadly, of those who **DO** care, their charity is exploited by evil people who pocket the money or misappropriate it for their own sinful agendas (like population control).

Only a fool would give a dime to anything involving the United Nations (a front organization to carry out the agendas of the criminal elite to establish World Government). Angelina Jolie has been an active supporter of UN agendas, the same UN behind the 1962 Katanga Killings: The Untold Story (59 minute shocking documentary by Dr. G. Edward Griffin). The United Nations were instrumental in

700,000 killings in Rwanda. All major food and medical program now being carried out by the UN are fronts for population control.

I am saddened that most professed Christians are naive, gullible and woefully ignorant of these things. You'll have to search quite a bit to find a pastor who is still upset (or was ever upset) concerning the circumstances surrounding the 911 attacks. I get angry just thinking about it.

As a caring Christian who walks with God, I get really angry when I look at this world today. There's hardly a day that goes by that I don't blow steam over the [911 attacks](#) (even 10-years later), which was a total [Inside Job](#) pulled off by the criminal elite. No one has been brought to justice. The criminal elite, aka, the [globalists](#), own and control the [mainstream newsmedia](#), so it's not surprising that they've totally whitewashed the crimes of 911. There's been a virtual [newsmedia blackout](#) on the issue.

It's a joke that Bin Laden was assassinated by Navy Seal Team 6, dumped at sea, and then months later every member of Navy Seal Team 6 were killed in a helicopter explosion? 'Com on, that's not a very good cover-story. What a blatant fraud! Who thinks this stuff up? The CIA is a criminal organization. They set up the Department of Homeland Security (DHS) after the 911 attacks as a means of implementing a Totalitarian Godless Communist Police State in America. [NDAA was the final death knell](#) of our once free nation.

I CARE about what is going on. I see the deception, the lying, the fraud, the tyranny and the Devil at work. I hate all the lying, deception, murdering, thuggery, stealing, tyranny, corruption, homosexuality, treason and hypocrisy that goes on in our federal and state governments. Proverb 6:16-16 says that God hates all these things. It is a big deal. The banks are deliberately stealing people's homes and life savings. By tampering with interest rates and the amount of money they print out of thin air, they have complete control over our nation's economy. The international bankers are [financial scientists](#) and know exact how to cheat you and me out of everything that we own.

If you walk with God (as Amos 3:3 teaches), then you must be in AGREEMENT with God. How can two walk together except they be agreed? Abortionists, homosexuals, pornographers, immodestly dressed women, adulterers, thieves and liars, and all the rest of the Devil's crowd, cannot walk in harmony with God because they are not in agreement. If you want to walk with God, then you must be in agreement with His Word. Psalm 97:10 commands for all who love the Lord to hate evil. It's not a suggestion nor an option, it is an absolute essential if you intend to please God with

your life. Revelation 4:11 teaches that all things were created to PLEASE THE LORD. We weren't created to enjoy life until we die. God wants us to enjoy life, but only within the boundaries of His Laws. God must come first. **Matthew 6:33** says, "But seek ye first the kingdom of God, and **HIS RIGHTEOUSNESS**; and all these things shall be added unto you."

Everything seems like a big joke these days to most people. Everything's a joke on television. Everything's a joke all over the internet. Teenagers laugh at everything. They don't take anything seriously. That's the way youth today have been raised, that is, to be inconsiderate brats who show no respect for others. That's what Walt Disney and Rock music teaches kids. It's repulsive. Kids today, especially the girls, listen to idiots like **Hannah Montana**, who sing about being number one... it's all about me, myself and I... the party can start because I'm here now. It's sinful arrogance and pride. Then when these kids commit unthinkable crimes 10-years later everyone is **trying to figure out why**. The Bible warns in **Proverbs 16:18**, "Pride goeth before destruction, and an haughty spirit before a fall." It's as simple as that America.

The Bible warns that there's a literal place called "Hell" where Christ-rejecting sinners will be tormented for all eternity (2nd Thessalonians 1:8-9; Revelation 20:15). Perhaps you don't believe in Hell. Sadly, most of England's clergy today don't either... go figure! A startling **18% of Unitarian Universalist Church members** are professed atheists. If you don't think there's a Hell, I sure hope for your sake that you're right. What if you're wrong? If you're wrong you'll spend eternity burning in the flames of Hell. You won't be partying with your friends in Hell. 2nd Thessalonians 1:8 warns that God Himself will pour out His vengeance upon you for ever and ever. As difficult as that truth is to grasp, it is nonetheless the inspired Words of God and you'd be wise to receive Jesus as the Christ.

Matthew 7:13-14 teaches that MOST people are going to the Lake of Fire (the *Second Death* as Revelation 21:8 says). It is a very SERIOUS matter and you should care. We all should care. It's bad enough that most people reject Jesus Christ, but then **they mock the Lord on top of that** (Conan O'Brien sings that he is going to Hell when he dies). Ha, ha, ha... big joke... very funny isn't it? Can you imagine the horror that will come upon Mr. O'Brien's soul when he enters into eternity, knowing that he died in his sins without Jesus Christ? **Hebrews 10:31**, "It is a fearful thing to fall into the hands of the living God." I don't want anyone to go to Hell, and neither does God (2nd Peter 3:9); but God said what He meant and His Word cannot be broken (John 10:35). You'd better take God and His holy Word seriously friend, or you'll pay the dire consequences in the Lake of Fire.

God cares (1st Peter 5:7) and if we walk with God as believers, then we'll also start caring about OTHERS (Philippians 2:5-6). Most believers don't walk with God. Walking with God means searching the Scriptures as Jesus commanded in John 5:39. Walking with God means abiding in Christ and letting His Words richly abide in us (John 15:1-7). James 4:8-9 promises that God will even draw near unto us if we'll draw near unto Him. God wants to fellowship with us. His Spirit lives within every believer (Romans 8:9). You draw near to God in the Scriptures. **Philippians 2:5**, "Let

this mind be in you, which was also in Christ Jesus.” We can have Christ’s mind by obeying Verse 4, looking for ways to live to help OTHERS.

If you walk with God, then you’ll start CARING. You show me a person who doesn’t care and I already know that they are far from God. I CARE. Do you? I care about what really happened on 911? I care about the families of the 2,745 victims. I want justice for the victims. Over 200 people leapt to their untimely death. The God of the Bible cares. Do you know that God cares so much that he was even concerned about a mother bird and her young in the Old Testament.

As soon as the Iranian war starts and we go into the next presidency (whether Mr. Obama under martial law or someone else), I think Americans will begin to disappear, never to be seen again as in the Soviet era under Lenin and Stalin. This is what the recent passed NDAA law is all about. I think we will see some buses blow up in America, which will be false-flag terrorist strikes blamed on Iran and Al Qaeda (Al CIA-da). If the globalists blow up even one public transportation bus in the U.S. and the mainstream newsmedia blames some boogiemán terrorist group (as they always do), then the American people will lay down and submit to any measures taken by Homeland Security to protect the nation.

They may likely blame some local patriotic group (like the Tea Party movement) as a pretext to go after patriots, constitutionalists, caring Christians and tea party groups. I don’t have any special knowledge to foretell the future. I just keep up with world news and put one and one together. The truth is pretty plain to see if you’re looking for it. It’s so obvious that the global elite are taking over the Middle East, stealing all the oil and China is fast becoming the major world power.

Eventually we are going to see biological attacks which will kill millions. These also will be deliberate false flag attacks intended to reduce the population, blame the boogiemán on terrorism abroad, and to ruthlessly police Americans at home. Police nationwide are treating citizens like garbage, because their training is indoctrinating them to suspect everyone as a potential terrorist. I’ve never seen such hatred across America. It’s all going to work together to bring to fruition a Godless Totalitarian Global Police State dictatorship, aka, the New World Order! Things are about to drastically change toward the end of 2012 and in 2013!!! The pawns are being moved into place. World War III is being staged. The world looks like the boardgame, **RISK**.

I we CARE then we’ll be Soul-Winners, caring for the souls of the lost. If we care then we’ll fight against the evil agendas of same-sex marriage, abortion, pornography, booze, divorce and feminism. Who is on the Lord’s side? (Joshua 24:15). I choose to take life seriously. I’d rather take things too serious, than not to take them serious enough. One of the greatest sins of our generation is that we don’t get more angry over sin and injustice. Everyone should be angry about what happened on 911? I’m mad that they murdered FBI Deputy Director John O’Neill. O’Neill resigned after President George W. Bush signed presidential Directive W199-Eye, which effectively blocked all investigation into the suspected Bin Laden family’s terrorist activities leading up to the 911 attacks.

The Bible teaches in Matthew 7:12 that we ought to do unto OTHERS as we would have them do unto us. This is the standard by which God will judge all men. This is why I am so upset concerning the 911 attacks. I put myself into the shoes of those victims, first-responders and their families. Do you know that at the 10-year anniversary of the 911 attacks at ground zero in New York, that the first-responders were BANNED FROM ATTENDING!!! The reason is because many of them are dying and afflicted with cancer and other diseases which they obtained on 911. Red Cross pocketed over \$350,000,000 dollars instead of giving it to the victims as it was intended. Red Cross said they're saving the money for "future emergencies." I only wish someone would put them all in prison after due process of law. Thankfully, God will do just that (Ecclesiastes 12:14; Romans 12:19; Romans 14:10-12; 1st Thessalonians 4:6; Colossians 3:25; Matthew 12:36). What a day that will be!

That's just 911. There are MILLIONS of injustices that have never been avenged. The Japanese Unit 731 torture labs were never prosecuted after World War II. No one has ever stood trial for the 60,000,000 victims of Stalin's reign of terror in Russia and the Soviet Union. No one has ever stood trial for the treasonous and fraudulent Federal Reserve Act of 1913. The Banksters have stolen trillions-upon-trillions of taxpayer dollars and have bankrupted the United States through deception, lying and fraud.

If enough people CARED and spoke out, things would change. It was less than 5% of the population that won the Revolutionary War between 1775-1783. A small tireless minority can make a difference. Groups never do great things for God. It's always an INDIVIDUAL that inspires a group to do a great work for God. Twelve apostles turned the world upside down... Acts 17:6, "And when they found them not, they drew Jason and certain brethren unto the rulers of the city, crying, These that have TURNED THE WORLD UPSIDE DOWN are come hither also."

Most of the 7,000,000,000 people in this world are going to die in their sins and spend eternity in the Lake of Fire (Greek: Gehenna, *Hell*). It is a serious matter. Every Christian ought to cry aloud against the damned Roman Catholic Church, which requires members to be water baptized, partake of mass, be confirmed, go to a confessional booth, and keep other manmade sacraments to get to Heaven. The Bible very plainly teaches that these doctrines of devils can only lead a person into Hell. Read the stern warning from Jesus Christ concerning religious self-righteousness... Matthew 5:20, "For I say unto you, That except your righteousness shall exceed the righteousness of the scribes and Pharisees, ye shall in no case enter into the kingdom of heaven." Religion is the worst thing that ever happened to this world!!! Salvation is NOT found in ANY religion; but rather, in a Person—the Lord Jesus Christ!

Defending the life of a child in the womb is a serious matter. Teaching children that homosexuality is not acceptable and is a sin is a serious matter. The fact that pornography, booze and casino gambling is legal across the U.S. is a serious offensive matter. Something needs to be done about these evils. I want to vomit when I consider the Anti-Saloon League, which had a dog in the fight prior to the Prohibition Era, but they sold-out and quit afterwards. Today they're a novelty, taking a stand for nothing. They all probably drink alcohol.

I get sick when I consider the sell-out Southern Baptist Convention, who after 8-years (1997-2005) of boycotting Walt Disney for their annual GAY DAY event, lifted their ban. Too many churches were complaining and dropping out of the convention because of church members who wanted to go to Disney, despite homosexuals holding hands and kissing in front of the children. Today's churches are disgusting to God, making Him vomit (Revelation 3:15-16). Instead of taking the sin of homosexuality seriously, many churches today are embracing gays, refusing to preach against homosexuality as a sin, errantly teaching that God creates people gay, and blaspheming the Word of God by embracing the Homosexual Agenda. Professed Christians who choose not to be controversial are part of the problem in our apostate churches these days. 2nd Timothy 3:12 says that living godly in Christ Jesus brings persecution.

One of the biggest evils in the world today is modern contemporary religious music, often referred to as *Contemporary Christian Music* (CCM). Most CCM singers are Roman Catholic, like Michael Smith. They never take a stand against sin nor false religion. They openly promote unity between believers and unbelievers, which is a total violation of the Scriptures (2nd Corinthians 6:14-17). CCM artists don't take the Bible seriously. They know some religious lingo, but they are woefully ignorant of truth of God's Word.

The popular message is to just love one another and believe in Jesus; but that is not enough to be saved. "Praying the Jesus prayer" is not the way of salvation. You must include the cross—Jesus Christ's death, burial and resurrection. Adding any works (such as water baptism or sacraments) is a false gospel and cannot save anyone. Ye must be born again of the Spirit of God (John 3:5) by the Word of God (1st Peter 1:23).

God certainly takes things seriously. Jesus warned that men will be held accountable on Judgment Day even for the idle words they speak (Matthew 12:36). Many people go away from my website ministry laughing, mocking and ridiculing my preaching and labors for the Lord. It's all a big joke to them. They don't know nor love God. They have no fear of God. I pray for God's Holy Spirit to work in the hearts and minds of all my web visitors. All I can do is faithfully preach the Word and pray for God's Spirit to work in people's hearts. I CARE! I want others to care too. America needs VOICES!

***Ye Must Be Born Again!* | *You Need HIS Righteousness!***
